

U. S. TRANSPORT THOMAS HEADED FOR HOME PORT

Passengers and Crew of Liner City of Honolulu Aboard

(By The Associated Press)
SAN FRANCISCO, Calif., Oct. 13.—The American liner City of Honolulu is steaming tonight in the Pacific Ocean toward San Francisco with the 26 passengers and members of the crew of the liner City of Honolulu, which is drifting, a burned out hulk on the sea lanes to the southwest. By the closest figuring that can be arrived at by army service officials here, the Thomas should arrive Sunday.

The Thomas is capable of 12 knots an hour, but usually is held to 10 or less, or a total distance of 285 miles a day. The point where she took off the passengers and crew of the Honolulu from the West Farallone, which rescued them from the seas about the burning Honolulu is some 620 miles southwest of San Francisco, the army officials said.

Word from the big transport to the Associated Press today by wireless service of the Federal Telegraph company was to the effect that the passengers were in good spirits and that they evidently showed no fear when the fire erupted around them on the great liner and forced them to be thrust into the sea in small boats.

The tons of water poured into the Honolulu's blazing compartments caused her to list heavily to port according to word from the Thomas, swinging the stricken vessel's small boat outboard on the port side and greatly increasing the rescue hazard. Later the great vessel righted herself so that the boats could be lowered with greater facility.

Word from West Farallone tonight was that the Honolulu was still burning. Day reports told of the caving-in of her superstructure, this great work of destruction starting first with the collapse of one of her stacks and an after mast before the flames.

The ocean swells sent up clouds of steam as they lapped against her blistering hot sides but she continued to ride the seas easily, and showed no indications that the flames which raked her would send her to the bottom. The blackened hull was much too hot to be approached today, according to a radio from the West Farallone agents, Struthers and Barry.

The rescue boat was told to "stand by" until it could be determined whether she should tow it into a mainland port or merely wait until salvage vessels arrived. All messages reaching here said that the work of rescue was as effectively as the it had been consistently rehearsed. According to a wireless message from the Thomas, the greatest hardship suffered by the passengers was their experience of seven hours on the open sea while the Thomas, the West Farallone and the Matson Line Steamer Enterprise were steaming toward them.

According to a message received from Captain M. M. Walk of the Farallone, the fire had destroyed all of the Honolulu's upper works and her hull was evidently so warped and twisted by the flames that salvage will be out of the question.

The apparent discrepancy whereby the crew was first reported to number 145 and later 187, was cleared up today when it was said from Los Angeles that a number of the crew who shipped on there, had not signed the shipping articles.

Today's reports lacked any detail of personal experiences or of the losses suffered by passengers and crew. There were words of praise for the manner in which Captain Harry R. Lester, of the Honolulu and the crew handled the emergency. The passengers wanted to stay with the Honolulu according to the messages from the Thomas in the belief that the fire would be got under control. They were told that the fight against the fire was proving a losing one.

The probable cause of the fire was given as defective wiring in the second cabin, according to the message from the Thomas.

THREE ARE HELD ON MURDER CHARGE

(By The Associated Press)
WARSAW, Mo., Oct. 13.—Claude Estes, 19, Chambers Buckley, 70, and his son Earl Buckley, 36, were committed to jail today to await trial at the December term of circuit court on a charge of murdering Alfred E. Lutman, a produce farmer, who lived near Edwards, Mo., June 14.

ARMOUR REFUSES TO REVEAL HIS WHEAT DEALINGS

Chicago Packer Makes Point Blank Refusal to Com- mission

(By The Associated Press)
CHICAGO, Oct. 13.—The federal trade commission which has been conducting hearings here pursuant to a senate resolution requesting information as to whether recent high wheat prices were occasioned by manipulations or were the result of the unhampered operation of natural causes, completed its investigation today and the members left tonight for Washington.

Members said they would go over the evidence obtained at hearings in Washington, New York and Chicago, and then would prepare a report to be submitted to the senate without conducting any further hearings.

They also will consider the point blank refusal today of J. Ogden Armour to furnish the commission with records of his purchases and sales of grain or the future transactions of the Armour Grain company from July 1920 to last May. When Mr. Armour appeared before the commission Wednesday he refused to give the information until he had consulted his attorney and today he told the commission that on advice of counsel he would not reveal his transactions.

Vice-Chairman Victor Murdock after repeatedly urging the packer and grain dealer to give the information sought excused Mr. Armour with the statement that the refusal to give the information would be taken under consideration.

James W. McCullough the last witness called today, testified regarding his opinion of the "squeeze" of last May he having been chairman of a committee appointed by the Chicago board of trade to investigate the May wheat season.

He said that wheat futures were being bought by eastern stock brokers at the time and he deduced that the tip to buy came from Washington, since, he said, stock brokers are not usually speculators in the pit. Contrary to expectations he said, the price of wheat did not go up and the brokers lost.

It has been previously testified that the Armour Grain company and the Rosenbaum company were two large firms which bought wheat here and the commission had made attempts to discover why the car delivery rule allowing delivery of wheat in cars instead of in warehouse and which resulted in the upset in the market was invoked. It has been testified that an emergency existed because warehouses here were full.

Frank Crosby, Minneapolis miller, said that future trading benefited the miller because it enabled him to take wheat from the market when needed. Within the past two years, he said, the hedging security had been reduced owing to the high premium in the prices of desirable milling wheat over the prices of Chicago futures.

Howard Jackson another witness said the public elevators should be operated by the railroad companies rather than by grain dealers as is now the case. Other witnesses today included J. F. Barrett, T. J. Sullivan and L. L. Winters.

GENERAL CONSPIRACY TRUE BILL IS VOTED

(By The Associated Press)

CHICAGO, Oct. 13.—A general conspiracy true bill against three school board officials and three printing concerns was voted today by a special school board grand jury as a result of testimony in references to printing contracts allowed by the board. Persons named are: Edwin S. Davis, former president of the school board and at present a trustee; Fred W. Krengle, assistant business manager; Charles Forsberg, business manager; Vernon R. McDonald; William L. Kaitchuck and Jens C. Aggerback, printers.

Assistant State Attorney Ger-

man charged that the board's printing plant remained idle while outside concerns were awarded the work.

ALLEGED PLOT TO SHIP ARMS TO CHINA

(By The Associated Press)

SEATTLE, Wash., Oct. 13.—Details of an alleged plot to ship arms and ammunition to revolutionists in China were revealed today with the arrest of Lee Poye Sonn, a Chinese of Boston, and the seizure of four chests containing German made ammunition federal agents announced.

The ammunition was stuffed in the hollow walls of the chest which had been shipped here from Boston according to federal operatives. They asserted Sonn admitted the shipment of the ammunition, but refused to divulge his purpose in sending it to China. The chests had been turned over to a transfer company for transfer to a steamer en route to the Far East.

STATE IS ASKED BY HALL FAMILY TO PROBE MURDER

Attorney Says Fam- ily Can No Longer Be Silent

(By The Associated Press)

NEW BRUNSWICK, N. J., Oct. 13.—Asserting that Mrs. Frances Hall and her family cannot longer be silent regarding the flood of false rumors centered upon them in the double murder of the Rev. E. W. Hall and Mrs. Eleanor Mills, Timothy N. Pfeffer, Mrs. Hall's attorney tonight requested Governor Edwards to place the investigation exclusively in the hands of a competent, fearless officer of the state.

The lawyer made public a letter to the governor criticizing severely the tactics of the present county investigators and the conflict between them.

"The atmosphere of New Brunswick is charged with every sort of rumor that political prestige, money and official position have been made use of by Mrs. Hall and her family to hinder and delay the administration of justice in this case," Pfeffer wrote. "In the mind of the public, Mrs. Hall is held responsible for the present impossible condition of affairs."

"In truth it is due to the bungling stupidity of officials of this county and now the evidence is unmistakable that the authorities of the county are at odds with the authorities of the other county with the efforts of the state troopers, standing between the two rendered abortive."

The attorney told the governor that further silence on the part of the slain rector's widow and her family possibly would be construed by many and admission of the false accusations leveled against them.

The appeal to the governor was given out after a family conference at the home of Mrs. Hall. It followed unofficial reports that the investigating authorities intended again to question the rector's widow. She was said to be in poor health but her condition was not considered serious.

When informed of Pfeffer's letter to Governor Edwards, J. E. Stricker, Middlesex county prosecutor said:

"Any information Mr. Pfeffer can procure about the case will be welcomed but at the same time I do not think it would be wise to take him or anybody else into my confidence in the investigation. I personally have not changed my mind as to the wisdom of that course."

A. M. Beekman, Somerset county prosecutor said that as far as he was concerned he would be grateful for help in the case from either the state attorney general or anybody else.

Raymond Schneider who had accused Clifford Hayes of the double killing was brought to New Brunswick today and was locked up in the Middlesex county jail on charges of perjury and of impairing the morals of Pearl Bahmer. He pleaded not guilty to the charge involving the girl and declined to enter a plea on the other accusation.

KIWANIANS ELECT OFFICERS—ADJOURN

(By The Associated Press)

DECATUR, Ill., Oct. 13.—The annual convention of the Kiwanis Eastern Iowa district of Kiwanis Clubs adjourned this evening after selecting Dubuque, Ia., as the convention city of 1923. New district officers elected by the convention were as follows:

Governor, Dan S. Wentworth; Chicago; secretary-treasurer, Harry C. Walker, Woodlawn; lieutenant governors, Charles Reilly, Chicago, North Shore Club, Rich-ard Howe, Clinton; W. S. Pretyman, Pekin; H. E. West, Mt. Carmel; W. C. Eckel, Champaign.

The 1,000 convention visitors concluded their program with a day of special activities that included attendance at the Millikin University-Knox College football game, a barbecue and a convention ball.

DISCOVER GOLD ON FARM NEAR JOLIET

Joliet, Ill., Oct. 13.—Discovery of gold deposits on the farm of Bradford Green, six miles west of Joliet was announced today by J. V. Freeman, local chemist after a chemical analysis of the ore. In the test pits the assays shows from \$3 to \$33 of gold in each ton of concentrate he added. The metal is found with a brown clay which overlies coarse gravel which is characteristic of the area.

JEALOUS LOVER KILLS GIRL, THEN SUICIDES

Centralla, Wash., Oct. 13.—Ed Stoltz, 22, tonight shot and killed Margaret Parfit, 18, and then killed himself according to a report made to police by Albert Elmer, who was with the girl when she was slain. It is said Stoltz recently made offers of marriage which the girl rejected.

Condensed Telegraph News

(By The Associated Press)

Danville, Ill., Oct. 13.—Two federal agents direct from the Washington office of the prohibition enforcement bureau, arrived here today and are said to have revoked the liquor permits of three druggists.

At one drug store, a quantity of moonshine whiskey was found and destroyed. It was said that the records of every druggist and doctor in the city would be gone over by the agents.

Galesburg, Ill., Oct. 13.—Seventeen hundred teachers, representing fourteen counties are here for the annual convention of the western division, Illinois State Teachers' association, the sessions of which are being held in the local armory. The main speaker at the morning session was Dr. Lotis D. Coffman, president of the University of Minnesota, who spoke on "Types of Instruction." Dr. Coffman speaks this afternoon on "America's Experiment." Officers will be elected late this afternoon.

Peoria, Ill., Oct. 13.—Five men charged with contempt of the federal court for alleged violations of injunctions against interfering with workmen at the "Q." shops at Galesburg, pleaded guilty before Judge Louis Fitzhugh here today. The men, Fred Hall, Fred Schultz, C. M. Corra, John Thomer, and J. A. Nelson, were to hear the judge this afternoon to hear their sentences. Other contempt cases developing from the Galesburg situation were sent for this afternoon.

Taylorville, Ill., Oct. 13.—A few hours after making his will, Albert Hall, 73, known locally as "the land baron," was found dead in bed at his country home near here this morning. A bullet had entered his head and indications are he killed himself. He was half owner with his brother of 23,000 acres of Central Illinois land and was rated the wealthiest man in this section.

PREMIER GEORGE WILL LAUNCH HIS PLATFORM TODAY

Will Deliver Address Be- fore Reform Club of Manchester

(By The Associated Press)

MANCHESTER, England, Oct. 13.—The political limelight will shine upon Manchester tomorrow as it has not shone before since the memorable day when President Wilson visited this northern metropolis, which prides itself upon being the center both of industry and culture.

David Lloyd George, the premier has chosen the home of his friends to launch his platform. The Manchester Reform club where the premier will deliver an address at a luncheon his stood behind the premier while the national liberal club of London was taking down his portrait from the library and hanging it in the basement.

Tomorrow's function will be a local rather than a national affair. The reform club can accommodate only 300 luncheon guests and 43 of these will be newspapermen, because the broadcasting of the features of the function will be of the greatest importance.

Great efforts were being made among the Manchester liberals to be among the elect at the luncheon. There was gossip that any one with a transferrable ticket for the luncheon might easily obtain \$100 for it. One newspaper correspondent was asked by a rich Londoner to name his own price for his seat.

Sir Edward Rhodes will preside and propose a toast to the prime minister whose address is expected to begin at 2 o'clock.

MICHIGAN'S FUEL LAW SOON EFFECTIVE

(By The Associated Press)

LANSING, Mich., Oct. 13.—Michigan's fuel law designed to protect consumers from excessive prices and to aid in the fair distribution of the comparatively small amount of coal coming into the state, probably will become operative with the governor's signature tomorrow.

As the bill emerged from the special legislative session today, it will be inoperative after March 31, 1923; distribution of fuel will be placed entirely in the hands of a state fuel administrator to be named by the governor; stocks in excess of immediate requirements, except those held by domestic consumers, will be liable to seizure by the state; the administrator will have power to fix a maximum price based on mine prices and suspend license of dealers violating his orders. Close scrutiny of dealers' profits is also provided for and a fund of \$500,000 is authorized for the purchase of coal by the state for resale should such a course be deemed necessary. Fuel is defined by the bill as "coal and coke" and all dealers in such fuel must provide themselves with licenses.

Violation of the orders of the fuel administrator was made a misdemeanor.

PRESIDENT GRABLE IS OVERTHROWN BY MAINTENANCE MEN

Prevented Strike Last Summer and Loses Job as Consequence

(By The Associated Press)

DETROIT, Mich., Oct. 13.—Overthrow of E. F. Grable of Detroit, as grand president of the International Brotherhood of Maintenance of Way employees and Railway Shop Laborers, and announcement of his successor, F. H. Fljoldal of Dauphin, Manitoba, that a new demand for improved working conditions and a living wage would be made by the organization upon the railway labor board marked today's sessions of the brotherhood's triennial convention.

President Grable credited with having averted a strike of the 400,000 railway maintenance men last summer after then had voted overwhelmingly in favor of joining the shopmen's walkout, was defeated by more than 3,000 votes from a total of approximately 80,000 each delegate casting as many votes as there were members in the local union he represented.

In a statement made thru his personal representative, Frank Finson, of Detroit, the president-elect, declared his opposition to a strike of the maintenance men at any time in the future, but announced that "the union membership might be prepared to walkout if improved working conditions and adequate wage increases were not forthcoming."

Mr. Fljoldal, it was announced, is prepared immediately upon assuming office to make an appeal to the labor board setting forth the needs of the maintenance men for higher wages and improved working conditions and that the organization is prepared to protest to the public as well as to the board the justice of our demands.

Shortly before the result of the election was made known on the convention floor a telegram sent yesterday by Mr. Grable to labor members of the labor board was read. The telegram was an appeal for a quick decision of the case of maintenance men now before the board, a protest against small increases as 2 cents an hour for maintenance laborers and a threat that unless a large increase was granted to all classes of workers in the brotherhood that "loyal members of our brotherhood may adopt extra tactics, fostered by questionable leaders, to remedy their just grievances of long standing."

Elmer E. Millman, Mount Morris, N. Y., was elected secretary of the brotherhood defeating S. J. Pezz, Detroit, incumbent.

Ballots were cast today for vice presidents and members of the executive board. The results are expected to be made known tomorrow.

The convention voted to remove the headquarters of the organization from Detroit but the action was annulled when delegates protested it was a violation of parliamentary law. The question is expected to be decided next week. Either St. Louis or Indianapolis is to be chosen if the headquarters are removed.

DAKOTA SIOUX WANT BLACK HILLS

(By The Associated Press)

PIERRE, S. D., Oct. 13.—The next chapter in the effort of Dakota-Sioux Indians to have returned to them the entire area of the Black Hills will be written here October 24 at a conference of tribal chiefs and missionaries.

Charles H. Burke, United States Indian commissioner, has called the conference in the hope of getting the Indians to agree on attorneys to represent them before the United States court of appeals where the Indians have been given an opportunity to present their case, it was announced today.

It was the contention of the Indians that the Black Hills territory was ceded to the United States in 1865 by chiefs of the various tribes, without the approval of three fourths of the adult male members, which was required by tribal law.

Nearly three years ago the government agreed to let the tribes take their cases into court setting a time limit of five years for beginning the action. Early in 1921, the Indians agreed upon the firm of Hughes, Rowand, Sherman and Dwight as attorneys but the appointment of Charles E. Hughes, a member of the firm as secretary of state prevented his prosecution of the case and the Indians have failed to agree upon attorneys since.

HEADS NATIONAL RESTAURANT ASSOCIATION

WASHINGTON, Oct. 13.—J. O. Mills, Columbus, Ohio, was elected president for the coming year of the National Restaurant association which closed its fourth annual convention today. Choice of a city for the next annual convention was left to the board of directors. Invitations have been received from Chicago, Cincinnati and Detroit.

JUDGE HAND ISSUES MORE TEMPORARY RESTRAINING ORDERS

Stays are Granted Until Tuesday When Other Cases are Heard

(By The Associated Press)

NEW YORK, Oct. 13.—Federal Judge Learned Hand today issued temporary injunctions restraining federal prohibition enforcement officers from molesting liquor on vessels of the British-owned White Star Line and the American owned United American Line.

The temporary stays were granted until Tuesday when the two new cases will be heard with the similar case filed by the International Marine and the order requiring federal enforcement agents to show cause why they should not be restrained from molesting liquor on the 24 vessels of the Cunard and Anchor lines.

The United American Line which was represented by George A. Ellis, was required to furnish a bond to guarantee that liquor on board the steamship resolute, leaving New York on Tuesday would not be sold or consumed until the vessel arrives at Hamburg.

Mr. Ellis said that he took action today in order to get the matter before the supreme court and also to get the liquor on the Resolute into a foreign port to remain there until a supreme court decision finally settles the validity of the Daugherty decision.

VanVechten, of counsel for the White Star declare he would come back to court with one or two similar cases tomorrow.

In Quandry About Liquor

He said he was in a quandry as to what to do with the large stock of liquor on board the Majestic which is due to sail from Liverpool Wednesday.

Three vessels, one American, one French and one Spanish, arrived today all of them with their bars sealed. The bar on the President Harding of the United States line which was sealed on Tuesday night on wireless instructions from the company's headquarters here. The sale and consumption of liquor were stopped that evening.

The French liner France and the Spanish vessel Emanuel Calvo sealed their bars at the three mile limit in accordance with the custom in effect since the beginning of the prohibition regime.

Officers and members of the crew of the France and of the Rochambeau, which is at her dock here, had their usual ration of white and red wine today. Captain Roche ordered that the wine be served as usual when he found that federal enforcement agents did not show any disposition to enforce the Daugherty ruling at once.

The American liner Finland it was stated, today will leave for Europe tomorrow with her bar sealed. More than \$3,000 worth of liquor on board will be kept under seal and disposed of at Southampton.

PRO BONDSMEN ARE IN BAD WITH COURT

(By The Associated Press)

CHICAGO, Oct. 13.—Two men were arrested today and a grand jury investigation ordered as a result of a campaign against professional bondsmen started here recently by Chief Justice Michael McKinley.

Dr. F. S. Schindler, bondsman for William Pifer, and under bond of \$30,000 for alleged burglary, and John Pietrowski, who asserted he paid \$2,000 recently for "presumable" payment to Pifer's bondsman, were arrested when Mrs. Pifer told the court she had added two small lots and borrowed \$1,000 to pay for her husband's bond, although it was specified at the time of arrest that no charge was to be made for the bond. Their cases were taken before the grand jury.

ASK INFORMATION ON R. R. TRANSPORTATION

(By The Associated Press)

SPRINGFIELD, Ill., Oct. 13.—Grain elevator operators thruout Illinois were sent letters by the Illinois Commerce Commission today asking for immediate information of the transportation facilities supplied by railroads between July 1 and Sept. 30. The letter also asks how much grain the elevators have on hand and the approximate amounts held by farmers.

It was intimated at the commerce commission that a protest is contemplated against the Interstate Commerce Commission's order which has resulted in returning box cars empty from which point they have been begging for the use of them. The suggestion is that box cars when unloaded should whenever possible be filled up with grain and not transported empty.

MILLIONS HAVE DEFECTIVE VISION

Chicago, Oct. 13.—Of 10,000 industrial and commercial workers examined, 53 per cent showed defective vision, R. C. Augustine, of Decatur, Ill., director of the extension for the American Optometric association, reported at the Chicago Optometric association.

NORWAY AWARDED \$12,000,000 FOR SHIPS DURING WAR

American Arbitrator Says Tribunal Ex- ceeded Authority

(By The Associated Press)

THE HAGUE, Oct. 13.—Norway has been awarded approximately \$12,000,000 by the arbitration tribunal which for several months has been considering the controversy between the United States and Norway involving claims growing out of the requisition of Norwegian vessels by the United States during the war.

The award was made known today and the American arbitrator, Chandler F. Anderson, who did not attend today's sitting, communicated to the secretary general of the tribunal and the agents of Norway and the United States his opinion that the terms of submission had been violated and that the tribunal had exceeded its jurisdiction as outlined by the special agreement under which the shipping dispute was submitted to arbitration. Notice was served by William C. Dennis, the American government's agent that for his government "the rights arising out of the plain and manifest departure of the award from the terms of submission and from the 'essential error' by which it is invalidated."

The grounds upon which the American arbitrator and agent claimed the terms of submission had been violated were not presented to the tribunal but it was said by those conversant with the case that one of the principal reasons was the alleged disregard of the provisions of The Hague convention of 1907, requiring arbitrators to state the reason for each award made. From the beginning of the present trial it was said that both sides to the arbitration as well as the tribunal itself, agreed to be bound by The Hague convention. The present decision covering 42 large printed pages, does not give the reasons for the award of each claimant, but recites the reasons for the justice of the general award. The awards of each claimant are given in a flat sum, including interest at an unstated rate.

The method whereby the sums were arrived at is not specified. Chief among the points of controversy throughout the tribunal's sitting was what was requisitioned and when.

It was argued by the United States that the order issued by the United States shipping board August 3, 1917, which was the only requisition order ever issued merely requisitioned ships then completed and materials for uncompleted vessels.

Norway claimed the United States requisitioned not only ships and materials, but also contracts and claimed compensation for their marketable value. More-over Norway claimed that the requisition order did not become effective until October 6, 1917, at the conclusion of the negotiations between the United States and the special Norwegian commission headed by Dr. Fridtjof Nansen.

Even conceding that the contracts were requisitioned by the United States claimed their value should be determined as of August 3, 1917, and not after prices were juggled upward by the alleged manipulations of Christoph Hannevig, a Norwegian subject, who, the American counsel claimed, speculated on ship contracts and created dummy corporations even after the requisition order was issued thru which to resell contracts and advancing prices perceptibly with each transaction and indulging other allegedly questionable tradings. Some of the Hannevig corporations in America have become bankrupt since the war.

PROVES HARD LUCK
Rodhouse, Ill., Oct. 13.—After a chase thru a country, C. O. Sawyer of Rodhouse was arrested here today charged with the theft of \$500 from Arthur Sprague. Sprague was robbed while asleep in his room. The robber cut away a portion of the sleeper's trousers, but overlooked \$1,000 in currency in his coat pocket.

A THOUGHT

This man began to build and was not able to finish.—Luke 14:30.

'Tis the most difficult of tasks to keep Heights which the soul is competent to gain.
—William Wadsworth.

It is said that the shortage of cars is interfering with the shipment of grain to the central markets. This may be a blessing in disguise, for the farmers. It has very often happened that too rapid marketing of grain has brought about lower prices. Orderly shipments tend to keep markets steady.

The proposed constitution for Illinois has struck another snag. Influential organizations are openly disturbed because the constitution does not begin with the customary "In the year of our Lord." Unless this omission can be rectified the fact will interfere with the constitution approval program.

The experimental road at Gates has justified the money expended upon it. Information secured thru experiments there will result in specifications for Illinois hard roads which will mean a saving of millions of dollars for the taxpayers. Gov. Small and his associates have handled the hard road improvement problem in Illinois in a sane and business-like way.

Statisticians are figuring again and show that the coal strike resulted in losses to operators and miners of more than a billion dollars. Still other people who talk with figures are wondering about the alleged losses, for the record of six or eight months will show the average amount of fuel

consumed and so the average pay to miners. In other words, nearly all the loss will be made up by more spirited production and distribution during the fall and winter months.

As to the fitness of Charles S. Black for the office of sheriff there can be no question. That office needs the attention of a man who is of sturdy character and who genuinely believes in the enforcement of law. Mr. Black's record will stand the closest inspection. His character is above reproach and he is known as a forceful man who believes that every community should be law abiding and that officers entrusted with the enforcement of law should not fail in meeting their responsibilities.

Mr. Black as sheriff would be an official in whom the people would have full confidence.

PEOPLE SUPPORT A. B. A. ACTION

That the people of the country will heartily support the American Bankers' Association in refusing to endorse the suggestion of debt cancellation, is the assertion of the Republican Publicity Association. The Association says: "The American people would be inclined to regard with favor and certainly would treat with respect, any suggestion formally ratified by such an organization as the American Bankers' Association. While there are some of our citizens who have an unimpeachable prejudice against any idea that emanates from banking circles, that attitude is the exception rather than the rule. The people of the country, generally, have a high regard for the men whose financial ability and personal integrity have brought them to the head of the banking institutions of the country."

"At the recent convention of the Association several speakers urged that the United States should cancel, in whole or in large part, the debts due from foreign countries to the United States. This view was so strongly urged that it was practically not formally submitted to the Association for its action. It is to be noted, however, that the Association did not include that suggestion in the resolutions it adopted, thereby inferentially giving the suggestion its disapproval. Moreover, one of the first recommendations made in the resolutions adopted by the convention was that which favors 'reduction of governmental expenditures so that taxes may be reduced.'"

"That resolution was virtually a repudiation of the suggestion of debt cancellation for it is manifestly inevitable that every dollar of debt cancellation that might be granted would mean an additional dollar of burden placed upon the American people and an additional dollar of taxes that must ultimately be levied to enable the United States treasury to liquidate the national debt."

BERTON BRALEY'S DAILY POEM

Busyness
BY BERTON BRALEY

YOU say you are "Awfully busy." You look it, there isn't a doubt. You move at a pace that is dizzy. But what are you busy about? Just pause in your striving and striving And cease for a bit, to grieve, And spend a few moments explaining What you have accomplished, to date!

HOW much of your vim energetic Is wisely and sanely applied? How much is mere hustle and frenetic? I leave it for you to decide. How much of this split-second hurry Is getting you honor or pelf, How much of it's bustle and flurry With which you are kidding yourself?

IT'S seldom indeed that hard work kills; But many men get below par While running round swiftly in circles, Exclaiming how busy they are! How much of your strength is expended In mere wasteful effort, old scout? You say you are busy—that's splendid, But what are you busy about?

ILLINOIS COLLEGE LITERARY SOCIETIES

The literary societies of Illinois college held their meetings last night and programs were given at each that were very much worth while. The subject for debate at the Sigma Pi meeting was "Resolved: That student control of student activities is desirable." The decision went to the negative and the merits to the affirmative.

The question at the Phi Alpha's meeting was "Resolved: That the eighteenth amendment has been beneficial to the people of the United States." The judges gave the decision to the affirmative and the merits to the negatives.

T. N. COYLE OWNS COCA COLA WORKS

Has Purchased Business from J. B. Clark—Plans Extensive Improvements.

Thomas N. Coyle has purchased the Coca Cola bottling plant, which has been operated by J. B. Clark, and is now in possession of the same.

Mr. Coyle has already made extensive improvements in the way of office fixtures and will add many improvements to the mechanical department of the plant. It is his intention to expand the business and serve the soft drink caterers in Jacksonville and surrounding country with bottled Coca Cola and other soft drinks.

Mr. Coyle is a former Jacksonville man. He was reared in this city but for a number of years has been a resident of St. Louis. Mr. Clark, who retired from the business, expects to again engage in a similar business somewhere in the south.

Coca Cola originated in the south and is the drink most favored by the people of the south, but it has gained favor from all sections and is now sold as an all year round drink.

Now Oat Flakes almost ready

There is now an Instant Quaker Oats, which cooks to perfection in 3 to 5 minutes. It is the quickest cooking oats in the world.
Just like regular Quaker Oats in quality and flavor. Flaked from queen grains only—just the rich, plump, flavory oats. So it has that matchless flavor which has won the world to Quaker.

But in Instant Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

Now grocers have the two styles. If you want Instant Quaker look for "Instant" on the label.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.
Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.
Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-Blood-Cells Increase! S. S. S. Builds These Red-Blood Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red-blood-cells in it. More red-

blood-cells! That is what you need when you see pimples starting at you in the mirror. Blackheaded pimples are worse! Scars are worse yet! You can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear, pure red blood. They mean clear, healthy, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1850, as one of the greatest blood-builders, blood-cleaners and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The Service Rendered by Efficiency in Gas- oline Production

THE man who fills his tank at a Service Station, or feeds his tractor from a tank wagon, may not realize it but sheer efficiency on the part of the Standard Oil Company (Indiana) is to a large degree the reason why the gasoline is there when he wants it.

Oil News says: "During the winter 1921-1922 the majority of the refineries in the Mid-Continent field were idle. This was due largely to the fact that they could not refine and sell at a profit. They were in a way inefficient. Many could not operate. Others that might have operated could not get the crude. The large plants could and did finance themselves and sold some of their output as they made it at a profit."

Keen efficiency—in small, as well as in big things, has enabled the Standard Oil Company (Indiana) to refine and sell petroleum products at a fair profit, under the most competitive of business conditions.

The Standard Oil Company (Indiana) has 1600 competitors in the Middle West.

Standard Oil Company (Indiana) efficiency runs through every operation. It governs the appointment of executives. It selects oil men of long training and experience who know when and what type of crude to buy. It directs the style of machinery, the kind of stills to be used. It determines the various products to be refined from the crude so that there may be no waste of oil, effort, time or overhead.

This efficiency, and the confidence which the public places in it, enables the Standard Oil Company (Indiana) to maintain its position as the leader in the industry. It enables the management to plan for the future with confidence, and to keep its refineries going during periods of low consumption that it may be in position to meet adequately the unusual demands during periods of greater consumption.

It is this efficiency which has spotted the country with bulk and service stations and caused more than 6600 motor tank wagons to traverse the streets and highways supplying the people everywhere with first quality petroleum products at prices which are fair.

The Standard Oil Company (Indiana) submits that such efficient management is the essential basis of the valuable service it renders.

The Ku Klux Klan

A Mobilization of Americans

The tremendous growth of the Knights of the Ku Klux Klan in the face of such aggressive opposition proves conclusively that real Americans are determined their country shall remain in their hands.

Consider the personnel of the anti-klan faction! There is no question but that in their ranks are found some of our best people—ministers, professional men, etc., who, not having a thorough insight into this organization, or being unduly influenced, have taken a false view of the same. But associated with them are the bootlegger, the dope peddler, the habitual criminal, the revolutionist, the alien agitator, unprincipled politician and American renegade.

Lying propaganda to the contrary, the fundamental principles of the Knights of the Ku Klux Klan always have been and always will be: First: the upholding of law and order thru the duly elected and regularly constituted authorities; Second: the preservation of the basic principles upon which this nation was founded.

As a fair-minded American you cannot pre-judge us! To learn the truth about this organization is not only your privilege—but your DUTY.

PROBE EFFECT OF TOBACCO ON USERS

(By The Associated Press)
BALTIMORE, Md., Oct. 13.—An exhaustive inquiry into the effect of tobacco in various forms on different types of smokers, conducted in the psychological laboratory of the Johns Hopkins University for three years by Dr. Knight Dunlap and assistants has shown that the effect of smoking is a lowering of the accuracy of finely co-ordinated reaction, that there is no indication that the speed of complicated reactions is affected.

The results of the experiments appear in the current number of the Journal of Comparative Psychology. They find, the experimenters are careful to point out, only the basis for a more detailed investigation.

"There is no indication," the report says, "that thoroughly mechanized reactions requiring no finer motor adjustments, are affected."

This would apply to the motor processes and thought processes of the man in an ordinary clerical or other subordinate business position.

PAGEANT AT I. S. D. SEEN BY LARGE AUDIENCE

A Pageant of the Seasons was presented on the campus of the State School for the Deaf Friday night. A large company was present and the program was given with artistic excellence. The young people entered heartily into the spirit of the occasion and gave ample proof of the carefulness of their training.

Among persons here to witness the pageant was Mrs. C. H. Jenkins, wife of Judge Jenkins, head of the department of public welfare. Mrs. Jenkins and children are guests of Col. and Mrs. Smith at the School for the Deaf.

REBEKAHS WILL GIVE MASQUERADE

TIGERS WIN FROM MENDOTA
Mendota, Ill., Oct. 13.—The Detroit Tigers of the American League won from the Mendota Regulars 8 to 5 in an exhibition baseball game today.

LEXINGTON, Ky., Oct. 13.—A program of four stakes and the unfinished Phoenix pace composed the card at today's grand circuit meeting here. The feature event was the Castleton for 2-04 trotters value \$4,000 which Santo-d Small's 4 year old colt, The Great Volo, won in hand style.

T. W. Murphy, improved his verge, adding another victory in winning the A hand with the good four year yielding Czar Worthy.

The consistent little Michigan gelding, Baron Worthy, trotting his usual good race was second in each heat.

The historic Lexington stake for 2 year old trotters was won by Gulf Breeze in straight heats each in 2:10 1/2.

GOOD LUCK BEFALLS DULUTH PEDESTRIANS
Duluth, Minn., Oct. 13.—Friday, the 13th, spelled "good luck" to a score of pedestrians on a downtown street today when a half ton of marble railing fell from a third floor office building to the sidewalk and showered dust on pedestrians but injured no one.

Kookuk, Iowa, Oct. 13.—Adam Wahper of Farmington, recluse, found slugged and bound by his brother, Monday night, died today. Authorities say they have made little progress in their investigation of the case. Carl Wahner, a brother, will be brought here for questioning.

DO YOU FEEL WEAK?

Here's Some Advice from A Well-Known Woman

Champaign, Ill. — "Sometime ago I was in a rundown, weakened state of health and suffered severely at certain times. A relative advised me to take Dr. Pierce's Favorite Prescription and Golden Medical Discovery, alternately, and thru taking her advice I was eventually restored to health—have not had a pain since and it is now three years, so I feel confident that mine is a permanent relief. My health has been better and I am stronger in every way. I take pleasure in sending this letter hoping it may be the means of helping other women who suffer to find relief as I did."—Mrs. Gertrude Carson, 78 E. Garwood St.

You can get these wonderful tonic medicines of Dr. Pierce's from your nearest druggist, in tablets or liquid. Write Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for free medical advice.

BURNING LEAVES
The time of the year is here now when the leaf raking is the thing, and realizing this the officials of the police and fire departments have issued a warning to those who may be inclined to be a little careless. There is always great danger in building bonfires and especially at night.

The officials suggest that if leaves and trash must be burned this be done during the day sometime between the hours of nine and four. Rules here relative to bonfires are not rigid, but citizens are asked to use discretion in and where they build fires.

REV. E. C. PIRES CALLED TO CHICAGO CHURCH

The Continent, well known Presbyterian publication, makes note of the fact that Rev. E. C. Pires has been called to the pastorate of the Calvary Presbyterian church in Chicago. This is one of the largest churches of the Presbyterian denomination in the middle west.

Rev. Mr. Pires is the son of Mrs. E. N. Pires of North Main Street and was in Jacksonville in June, when he received the degree of Doctor of Divinity at Illinois College. He has been remarkably successful in his ministerial work and each change made has been an advancement to a church of larger influence.

Mrs. Eugene Doyle and Miss Catherine Wilson of Franklin were among the Friday shoppers in Jacksonville.

LYNNVILLE SCHOOL NOW HAS PIANO
October 6 a box social was held at Lynnville school for the purpose of raising money to help purchase a piano for the school. The amount of \$42 was raised toward the fund. The teachers of the school donated sufficient money to make the fund \$50.

This encouraged the school board to appropriate the extra necessary amount to buy a piano for the school and the pupils of the school now have the advantages of a musical instrument.

BIG TEN WILL GET
FLYING START TODAY

All Big Ten Teams Play Today—Some, However, Have Games Outside of Conference.

CHICAGO, Oct. 13.—Football will get a flying start in the West Conference, tomorrow with games between Northwestern and Chicago at Chicago and Minnesota and Indianapolis as a first contest of the championship race.

Illinois will open the season against Butler at Urbana while Oberlin, which defeated Ohio State last year again will face the Ohio team at Columbus. Purdue will take the field again with the strong Notre Dame team at Lafayette and Wisconsin will play South Dakota at Madison.

Chicago and Minnesota are expected to triumph in their games, although they will face formidable opposition and an upset is not impossible.

Chicago has the usual big purple over Northwestern although the purple eleven has a better team than last season. The Maroons are expected to win by at least three touchdowns as the team is composed of veterans while the purple eleven is made of new material.

The Maroons will start virtually the same team that defeated Georgia last Saturday. Indications favor a victory for Minnesota over Indiana. Coach Spaulding of the Gophers has his players started upgrade while Indiana was held by a scoreless tie by De Pauw last week.

The Illinois-Butler game has been watched with interest as Coach Page, former Chicago star, has put Butler on the athletic map this season. Butler has won all three of its games despite the fact that its coach had only light inexperienced material with which to work. The Illinois team is crippled as the result of injuries in practice and is starting the season with the poorest outlook in years.

Notre Dame is expected to win over Purdue for Coach Rockne's team has been developing rapidly. Wisconsin, which failed to get a good work out from Carleton last week, does not expect much more opposition from South Dakota.

LITTLE WORLD'S
SERIES CALLED OFF

San Francisco, Oct. 13.—Negotiations for a "Little World Series" in California between the team winning the Pacific Coast baseball league championship and the winner of the St. Paul-Baltimore series have been called off. W. H. McCarthy, president of the western circuit announced today. An agreement could not be reached on the number of games, the coast officials wanting seven contests and the easterners five.

Mrs. S. N. Zahn of Ashland was a Friday visitor to Jacksonville.

YALE-IOWA MATCH
FEATURES IN EAST

Much Interest Centers Around Contest from an Intersectional Viewpoint as Well as the Fact That the Jones Brothers are Rival Coaches.

NEW YORK, Oct. 13.—Intersectional games again feature the eastern football card for tomorrow with the Yale-Iowa and Army-Alabama Poly contests as the outstanding clashes. Pennsylvania will meet Maryland while Pittsburgh and West Virginia play at Pittsburgh. In addition there are several strictly sectional games which promise to develop hard close matches in the list of more than 40 contests scheduled for the east. While the football authorities of both Iowa and Yale have stated emphatically that the teams have not been pointed specially for the east versus west struggle in the Yale bowl tomorrow the fact remains that the game is one of the most important in a long list of intersectional struggles which feature the present season. Iowa won the western conference championship last fall capturing all five of her league contests and scoring 18 touchdowns and 15 goals for a total of 123 points.

Yale went thru the season with the loss of only one game, Harvard winning 10 to 3 from the Elis and was ranked fifth in total scoring among the eastern teams with an aggregate of 101 points.

Neither Yale nor Iowa will present its strongest lineup tomorrow nor will the individual players have resulted the perfection of physical or playing form to be expected in the final contest of the year. Nevertheless the contest will give a reasonably accurate idea of the comparative strength and strategic ability of east and middle western football as played by representative universities of the two sections. Eastern followers of the game look for a startling display of the far-famed western aerial attack. The same style was expected in the Chicago-Princeton game of a year ago and Chicago won with a straight line attack.

Howard Jones, the Iowa coach, is a graduate of the Yale football school and knows the eastern game as well as his brother "Tad" Jones, gridiron mentor at New Haven. Howard has the benefit of playing and planning against the best offensives developed in the west and for that reason probably is more conversant and better equipped with such plays and defense against them than the Eli coaches.

The defeat of Notre Dame last fall by Iowa, 10 to 7, indicates that the forward passing game has no terrors for the Hawkeyes, since Notre Dame was conceded to have the best aerial attack of any

This Is a Family Affair
When Yale meets Iowa it will be a battle of wits
between the Jones Brothers

HOWARD JONES

The meeting on the gridiron between Yale and Iowa will be more or less of a family affair as far as the coaches are concerned.

Iowa, which won the "Big Ten" football championship in the west last year, is coached by Howard Jones. Yale is looked after by Brother Tad.

The meeting between Yale and Iowa will also offer an opportunity to get an early line on the strength of the east and west in football.

It is to be regretted that Iowa did not meet Yale last year. The Iowa eleven, led by Aubrey Devine, would have given Yale the battle of its life.

Possibly this year's eleven will make things as interesting, despite the fact that Howard Jones lost four of his star players thru graduation.

Yale in the big games last year showed a team that had much potential strength, but many of the players lacked experience. On form the Yale team this year should be considerably stronger than the 1921 aggregation.

These two great teams will clash at New Haven, Conn., today.

ILLINOIS COLLEGE
TACKLES NORMAL

Meets State School at Normal This Afternoon—Teachers Said to Have Good Team.

Coach Harmon will leave this morning with the Illinois college football squad for Bloomington where a game will be played with Illinois Normal at Normal this afternoon.

Harmon has been giving his attention during the week to offensive work more than defense. The blue and white showed a powerful defense in the Carthage game and the line seems to be able to take care of itself.

In the back field, however, there was the old punch lacking that was in evidence last year. The backfield men have shown much improvement during the week and should be able to deliver when the time comes.

While Normal only defeated Lincoln last week by a score of 6 to 2 on a muddy field, news from Normal is that the team is much stronger than last year. Illinois field by a score of 35 to 0. Unless they are a lot stronger the Blue and White should win today if real football is played.

Coach Harmon will take two complete backfields to Normal for the game this afternoon. The play will start at 2:30 o'clock. Martin of Kansas university will referee. Muhl, Illinois university will umpire and Frye of Bloomington will be head linesman.

The probable lineup to start the game follows: Dale, lt.; eid, lt.; Weber, lg.; W. Roberts, c.; Gunn, Capt. rg.; Ribelin, rt.; Mellon, re.; Rogers, lb.; Struck, rb.; J. Roberts, fb.; Elder, qb. Substitutes: Witacker, end; Gard, tackle; George, guard; Wylder, center; Short, rb.; McKim, lb.; Flattner, fb.; Foreman, qb.

L. S. D. FACES HARD
FOE THIS AFTERNOON

Plays Western Military Academy at Alton—Local Lads Will be Outweighed.

Coach Burns and his Illinois school for the deaf football team will leave early this morning for Alton where the strong team of Western Military academy will be met this afternoon.

The local lads will be outweighed and will be at a disadvantage as far as experience is concerned. However, Coach Burns has been working hard trying to smooth out the state school's play and the men have worked diligently to overcome weaknesses shown in the Decatur game.

Masinkoff will be at quarter this afternoon. Dillard will play his right back position. Wols goes from half guard to right tackle and Johnson goes to the guard position. Jones replaces Tjilman at left guard, the latter being on the hospital list. The Tigers will go into the game determined to give the enemy the best they have and hope to make a good showing. The lineup follows:

Mannen, Capt. re.; Wols, rt.; Johnson, rg.; Sellers, c.; Jones, lg.; Montegard, lt.; Taylor, lb.; Masinkoff, qb.; Dillard, lb.; Rose, rb.; Crabbe, fb.

Football, J. H. S. vs. Hannibal, Illinois Field, Saturday, 2 o'clock.

J. H. S. WILL PLAY
HANNIBAL TODAY

Meets Fast Missouri Team On Illinois Field—Lost Opening Game of Season to Missouri Team Last Year.

Coach Mitchell's Jacksonville high school football warriors will meet Hannibal high on Illinois field this afternoon in what promises to be a hard fought contest.

Last year Jacksonville played her first game of the season at Hannibal and lost it by a score of 14 to 0. However, it is a safe bet that had the teams met later in the season the decision would have been reversed. This year Coach Mitchell did not tackle Hannibal in the first contest. The locals now have two games under their belts and will make the Missouri boys step lively this afternoon.

Not much is known of the Hannibal team, Mitchell says he has not heard from them this season. However, it is a safe bet they will have a strong team.

The game will start at 2 o'clock. John Larson will referee and Dick Reynolds will be headlinesman. The umpire has not been selected but it probably will be one of Coach Harmon's Illinois College squad. The locals will start with the following lineup:

Massey, lt.; Arnold, lt.; Hopper, lg.; Hackett, c.; Dewees, rg.; L. Bracewell, rt.; Outnam, capt., re.; Hunn, qb.; Corbridge, lb.; Lewis, rb.; Johnson, fb.; Substitutes, Kamm, fb.; Sanders, end, K. Bracewell, g.

DETROIT UNIVERSITY TO
PLAY DES MOINES

Detroit, Mich., Oct. 13.—The University of Detroit football squad will go into action here tomorrow against the University of Des Moines eleven, without the services of Captain "Patsy" McKenna. An injured leg it was announced tonight probably will keep McKenna on the side lines for the remainder of the season.

CHICAGO, Oct. 13.—The Chicago Nationals, batted Ted Blankenship off the mound today and took the edge in the series, three games to two by defeating the American League 7 to 2. Blankenship was wild but he allowed only two scratch hits until the Cubs launched their heavy attack against him.

His wildness in the first inning let two runs score on his wild pitch. He held his rivals helpless after that until the sixth. The Sox played an uphill game and bunched hits off Aldridge in two innings and tied the count Aldridge was backed up by some sterling support in the pinches.

The scene of hostilities will shift to the White Sox park tomorrow.

MISSOURI VALLEY
GOES INTO ACTION

KANSAS CITY, MO., Oct. 13.—Eight of the nine football teams in the Missouri Valley conference go into action tomorrow. Nebraska alone has no game scheduled. The first conference clash of the season was staged Saturday between Missouri and Grinnell.

The three conference games tomorrow are University of Missouri at Ames; University of Kansas-Drake at Des Moines; and Kansas Aggies-Washington University at St. Louis.

University of Oklahoma and Grinnell are scheduled to play non conference eleven.

Central Teachers College plays Oklahoma University at Norman, Okla., and Grinnell faces St. Louis University at St. Louis.

In view of the 28 to 0 defeat administered Grinnell the Missouri Tigers are the favorites in the game with the Iowa cyclones.

Missouri has won the past three games from Ames.

Drake is reported to be up to usual strength which in recent seasons has been sufficient to break even with Kansas University.

M. J. Plunkett of Havana was in the city yesterday transacting business with local merchants.

Notes from the Big
Ten Camps

Illinois

Champaign, Ill., Oct. 13.—Illinois opens its 1922 gridiron season tomorrow against Butler. The Hoosier aggregation arrived today in charge of Coach Pat Page. Butler with three victories to its credit this season, is expected to give the Illini a close battle.

Wisconsin

Madison, Wis., Oct. 13.—The University of Wisconsin goes against the South Dakota Aggies tomorrow in the second game of the season with a crippled eleven. The lineup is not likely to include Captain Williams, halfback, Harris or Below or Christensen in the line.

ROUTT HIGH AND
FRANKLIN MEET

Ancient enemies in basketball, Routt high and Franklin high will take up the battle on the gridiron this afternoon when they will clash on Illini field at the rear of the state school for the deaf.

Both teams are playing their first football. Routt has the advantage over its opponent in that a game was played at Roodhouse last week. While Routt was defeated the men undoubtedly gained some experience that should be valuable to them today.

Not much is known of the Franklin team. It is probable that its men will outweigh the Routt lads but they will not outfight them, for Routt's first name is fight. This game will be called at 2:30 o'clock.

Football, J. H. S. vs. Hannibal, Illinois Field, Saturday, 2 o'clock.

DROPS ATTEMPT
TO SERVE PAPERS

MILWAUKEE, Wis., Oct. 13.—Attempts to compel by court order the appearance of Charles and Louis Comiskey, Chicago baseball magnates, in Milwaukee for a discovery statute exhibition before a court commissioner in the suits of three discharged players today were dropped by Attorney Ray Cannon in circuit court.

John J. Gregory, who would wait until the Comiskies come into Wisconsin and then serve them with subpoenas.

The Chicago American League baseball club and the Comiskies are defendants in three actions started by Oscar Felsch, Joe Jackson and Charles "Swede" Risberg who sued for recovery of back pay, bonus and damages in the Felsch action for alleged conspiracy to keep Felsch out of major league baseball.

"RUBE" BENTON
HAS HEAVY TASK

ST. PAUL, Minn., Oct. 13.—On "Rube" Benton, pitching ace of the slipping St. Paul American association champions is likely to fall the burden of attempting to turn back the heavy hitters of the Baltimore Orioles, International League champions, when the teams meet in what may be the deciding game of the "Little World's Series" tomorrow.

Baltimore, victorious in four games and defeated once is expected to send Jack Bentley, heavy hitting pitcher into the box to turn in the victory, that will win the minor league baseball championship.

CHARLESTON NORMAL
AND SHURTLEFF TIE

Charleston, Ill., Oct. 13.—The Charleston Normal and Shurtleff football teams battled to 0 to 0 tie today.

Firestone
GUM-DIPPED CORDS

Everywhere You Hear It -
Firestone Builds
the Finest Cords

HARDLY a day goes by but some one goes out of his way to tell us that Firestone Gum-Dipped Cords are the best tires built.

Cords—as only Firestone builds them—will give you many extra thousands of miles of wear. And for fall and winter driving there's nothing like them. The strong, resilient Firestone carcass of gum-dipped cords, can stand the hardest punishment.

With the reputation Firestone Cords hold, it is not surprising that so many motorists in this community have made them standard equipment. The demand for Firestone Cords in the last few months has broken all records.

Prices were never so low as they are now. Perhaps never again can mileage be sold so cheaply.

Decide now that you will get Most Miles per Dollar. Drop in any time and let's talk tires.

SEATING CAPACITY

ST. LOUIS, Mo., Oct. 13.—The large crowds which attended the American League games here as a result of the hot pennant race made by the Browns has started a movement to increase the seating capacity of Sportsman's park to 30,000 by the construction of 10,000 additional grandstand and 500 box seats. As the park is used by both the Browns and the local Nationals it will be necessary for the Cardinals to agree to a higher rental before the work can begin, it was explained.

"YANKEE FIVE" WILL
HAVE STRONG TEAM

The Yankees Athletic Club held a meeting last night and will again have a strong basketball team this season. The Yankees enjoyed a very good season during 1921-22 and expect to have even a stronger team this season. Donald Palaski who played guard for the Yankees last season was elected captain for 1922-23. They will begin practice on October 28 and expect to have their first game about the middle of November. The Yankees this season will be as follows: Palaski, capt.; McNamara, Curtis, Cooney, Murgatroyd, Bridgman and Blesse.

Games can now be booked with the Yankees and teams desiring games can write W. G. Baptist, 431 Brown Street, Jacksonville, Ill.

STOCK MARKET PRICES MOVE UPWARD

NEW YORK, Oct. 13.—Con-
centrating of special stocks and a
broadening demand for standard
railroad, rubber and sugar shares
enabled stock prices to continue
their upward movement today,
despite a violent setback in
Standard Oil in New Jersey which
registered a net decline of nearly
10 points.

Speculative disappointment over
the announcement of the direc-
tors of the Standard Oil of New
Jersey that no increased dividends
were contemplated on the new
stock when the 400 per cent stock
dividend becomes effective result-
ed in a flood of selling orders
which carried the stock down to
216, as against the year's high of
250 1/2 established earlier in the
year.

The feature of the foreign ex-
change market was the buying
of Norwegian crowns which ad-
vanced 44 points, reflecting the
award of approximately \$12,000,-
000 by The Hague tribunal to the
Norwegian government on behalf
of fifteen Norwegian corporations
for claims arising from requisition-
ing of ships by the emergency
fleet corporation during the war.
United Liberty Bonds, all of the
ix series of which sold below par,
was the feature of the irregular
bond dealings, the main trend in
which was downward.

Total bond sales (par value)
were \$15,321,000.

CASH GRAIN REPORT

By Associated Press.
CHICAGO, Oct. 13.—Wheat in
the cash market today was in
good demand, and offerings were
light.

Actual sales at the close were
10 better, shipping sales were
105,000 bushels including 89,000
bushels to exporters. Red wheat
premiums were easier; hard and
yellow hard were unchanged to
10 better.

Wheat trading and few offers,
bullish sentiment having been
generated by aptures in Liver-
pool quotations and by continued
transportation difficulties ren-
dering demand urgent for grain
that was likely to get thru at
promptly to the seaboard, corn in
particular. On the ensuing up-
turn in wheat prices, there was
heavy selling to release profits
and a reaction followed but then
an enormous amount of wheat
was taken out of the pit stabiliz-
ing the market during the re-
mainder of the day.

Gossip that 1,500,000 bushels
of Canadian wheat and consid-
erable United States wheat had
been purchased for Europe did a
good deal to uphold values in the
later trading.

Corn and oats were traded in
on a broad scale with some
new high price records for the
season being attained.

One decided stimulus to buy-
ers was an estimate that Argen-
tine had only 30,000,000 bushels
of corn left for export whereas
five months must elapse before
the new crop is available.

Provisions went lower with
hogs.

Jury in Road Case Finds Defendant Not Guilty—Was Charged With Obstructing Public Highway.

Justice Opperman's court was the scene of an interesting case yesterday when Road District No. 10 of Woodson thru S. J. Baxter, and L. A. Fitzsimmons, officials of the town of Woodson brought suit against Jerry Hawk on the charge of obstructing the public highway. The case was heard by a jury and after the evidence had been presented and the arguments made a verdict of not guilty was returned.

The road district was represented by W. E. Thomson while W. W. Wright was the attorney for Hawk. According to the evidence as brought out Hawk claimed he had been given permission to erect a gasoline filling station by the commissioner of the district and L. V. Baldwin. In front of his property in Woodson. The plaintiffs claimed that the station was erected in the public highway and obstructed traffic.

The jury was composed of L. F. Banghman, C. W. Johnson, Guy Hicks, M. F. Brummitt, Harvey Storey and M. A. Hulet.

HAS CALLED MEETING FOR MONDAY MORNING

Commercial Division of C. of C. Has Been Called Together To Talk Over Halloween Festival.

President C. J. Buerer of the Commercial Division of the Chamber of Commerce has called a special meeting of 196 members belonging to this division, for 9:30 Monday morning, October 16th. The object of the meeting is to quickly organize and get before the different business men of the city, the project of an Automobile Day and Halloween Celebration to be staged on October 31st.

There are several matters to decide at this meeting that require the presence of the entire membership of the commercial division. Letters have gone out from the Chamber of Commerce headquarters calling this meeting and a good attendance is anticipated. The time is rather limited for the committee to successfully stage this project and for this reason quick action is required to make the Automobile Day and Halloween celebration a big success.

ROTARIANS HEAR MISS WADSWORTH

Interesting Facts Given About Social Service Center at Chateau Thierry—High School Football Squad Guests at Luncheon.

Miss Mary Wadsworth made an address at the Friday luncheon of the Rotary club at the Pacific hotel. Miss Wadsworth gave an interesting picture of the work done at the Methodist Memorial center at Chateau Thierry, her impressions gathered during months of actual service at the center.

Further interest attached to the club's meeting because of the presence of the Jacksonville high school football team. The boys came under the leadership of Coach Mitchell and all in the group were the guests of Harry M. Andre.

Supt. H. A. Perrin took the opportunity to comment on the fine demeanor maintained by the boys and their excellent records when visiting other cities. The superintendent declared that the members of this year's squad know what clean sport means and adhere to the rules.

In referring to the ball team Mr. Perrin also mentioned the good work of Coach Mitchell, who had much of his training and gathered some of his ideals from Coach Harmon. Coach Mitchell introduced the following young men of the squad: J. Putnam, Jr.; L. Bracewell, G. Dewese, Jr.; R. Hackett, C. H. Hopper, Jr.; R. Arnold, R. F. Massey, Jr.; E. Lewis, Jr.; R. Corbridge, Jr.; P. Hunt, Jr.; W. Johnson, Jr.; H. Kamm, Jr.; F. Sanders, Jr.; K. Bracewell, Jr.

The program committee has been fortunate in arranging for the presence of Madame Colard, director of voice at the College of Music. Madame Colard gave two numbers with artistic ability and repeated one of them in response to the earnest demand. Miss Sapio was her accompanist.

Miss Wadsworth was for nearly a year and half with the work of the Methodist Memorial, which is under the direction of her uncle, Dr. Julian Wadsworth, a former Jacksonville man who, through a period of years has made a large place for himself in the work of the Methodist church.

The speaker emphasized the fact that the social center work was planned as a living memorial to the heroic dead. The memorial is sustained by Protestant support in a Catholic country, but there is absolutely no religious propaganda, the center being maintained wholly for other purposes.

Miss Wadsworth said that the word "altruism" is not found in the French dictionary, so that Miss Wadsworth said it was some time before the residents of Chateau Thierry realized that the memorial was being maintained and conducted without any thought of financial returns. When they did come to an understanding of the purposes of the memorial then their support and cooperation was heartily given.

Miss Wadsworth explained that in addition to entertaining Americans and other visitors who come to Chateau Thierry, on pilgrimages to the near-by cemetery, that the center conducts various activities. Social clubs are maintained and classes in English are available. There are still other lines of endeavor and the purpose, as the name indicates, to make the center of real value to the people of Chateau Thierry and to the visitors.

That the work is appreciated may be known from the fact that the roster of visitors showed in five months' time more than 5,000 names. Miss Wadsworth talked in an entirely informal way and enlivened the narrative by relating various happenings during her period of overseas service.

The visitors of the day included Senator J. A. Wheeler, Springfield; Dr. Franken, Chandlerville; P. G. Morford and A. R. Thompson, Chicago, and Frank L. Mawson, Jacksonville.

ONE DIPHTHERIA CASE REPORTED

The health department recently took charge of a case of diphtheria in the fourth grade of the Lafayette school. Immediate precautionary steps have been taken by the health office to prevent spread of disease in the school, although the child had not been in school for a day or two before the trouble was pronounced diphtheria.

When such a case is reported to the health office all members of the family are given the antitoxin at once. The school nurse visits the school examines the throats of all the children in the room attended by the child who is ill. If symptoms are found the child is sent home and the case referred to the family physician.

The school nurse then calls on all of the children who are out of school at the time. This is the general procedure of the health office when a case of contagion is discovered in the schools.

Woman's Club Fall Luncheon Today

The annual Fall luncheon of the Jacksonville Woman's Club will be held today at one o'clock at the Central Christian church. A four course luncheon will be served by the ladies of the church and this will be followed by a program.

Mrs. A. B. Williamson, president of the church will make a brief address of welcome and Arnold Lovejoy, of the Illinois College Conservatory of Music will sing a group of solos. Mrs. Henry Rainey of Carrollton will make the main address of the afternoon and will take as her subject "Woman's Part in Making Public Opinion."

At today's luncheon the twenty fifth anniversary of the founding of the Jacksonville Woman's club will be celebrated. Mrs. Thomas Buckthorpe is the chairman of the luncheon committee and Mrs. Clark Greene and Mrs. J. W. Clary have charge of the tickets for the function.

Lucky Thirteen Social At Centenary Last Night

A "Lucky Thirteen Social" was given last evening by the members of the Epworth League of Centenary church. The guests were high school and college students and a large number were present to enjoy the hospitality of the Centenary young people. The social began at 8 o'clock and a gay program of games and stunts had been planned for the evening. Several games carrying out the idea of Lucky Thirteen—for Friday, the thirteenth—had been planned by the entertainment committee and in every way the party was a big success. During the evening some fine refreshments, in keeping with fall season were served by the members of the social committee. Clarence Seigrist as president of the Epworth League was in charge of the social.

Carle Max Cohagen Celebrates Birthday

Mrs. C. J. Cohagen gave a delightful little birthday party yesterday at her home on North Church street in honor of her little son Carle Max, whose second birthday occurred yesterday. A number of the little fellow's friends and their mothers were invited over to spend the afternoon. A number of games had been planned by the hostess and the little folks spent a gay afternoon. During the time Mrs. Cohagen served dainty refreshments and she was assisted in entertaining by Mrs. Ralph Dewese, and Mrs. Norman Dewese. The other guests included Elmer Wayne Dewese, Merle Dewese, John Spencer Self and their mothers from Jacksonville and Mrs. Cora Ruckart and son Frank of Winchester.

High School Teachers Enjoy Party at Carter Home

The members of the faculty of Jacksonville High School had a party last evening at the home of Mr. and Mrs. T. P. Carter on Lincoln Avenue. The affair was planned for last week but was postponed until last night. A fine supper was cooked out of doors with wieners and coffee as the main part of the menu. After supper every one had a fine time with games, stunts and general gaiety. The party was a get-acquainted affair to welcome the new members of the faculty who are at the high school this year.

Hostess to Happy Hour Class

Mrs. Ned Lansing entertained the members of the Happy Hour Class of State Street Church Sunday school yesterday afternoon at her home on Westminster street. The class meets once a month for a social meeting and about twenty of the members were present at yesterday's gathering. The hours were spent in sewing on linens for Passavant hospital and at the close of the afternoon a pleasant social hour was spent. The hostess served attractive refreshments.

Entertain At Informal Supper

Mr. and Mrs. H. B. Kamm entertained a number of friends at an informal supper at their home on Mound avenue Thursday evening. The guests included three families who camped together at Chautauque this year. An excellent picnic supper was served buffet style and after the supper hour every one enjoyed a general good time.

State Street Aid Met

The members of the Ladies' Aid Society of State Street Presbyterian church were entertained yesterday afternoon at the home of Mrs. C. A. Johnson on Lockwood Place. The affair was a birthday social and the afternoon was most pleasantly spent in a social way. During the hours the ladies sewed on articles for the Christmas bazaar which will be held the 2d of December. At the close of the afternoon the hostess served tea in the dining room.

Hostess At Halloween Party

Miss Elizabeth Martin was the hostess at a delightful Halloween party given last evening at her home on Webster avenue. The affair was given in honor of Miss Mabel Martin who is soon to leave Jacksonville and make her home in Winchester. About forty-five guests were invited and at six o'clock there was a wieners roast out in the yard. The evening hours were spent with games and a genuine good time for all the

guests. The Martin home had been cleverly decorated with orange and black and the Halloween season was attractively suggested.

Brooklyn Ladies' Aid Met Friday

The Ladies' Aid Society of Brooklyn church met Thursday afternoon at the home of Mrs. Lou Fanning on Morton Avenue, with Mrs. William Bond acting as assistant hostess. A good attendance of members were present and the regular meeting and birthday social were held. After the business meeting the following program was rendered:

Song—By Society.
Piano Solo—Mrs. D. B. Gaskins
Piano Solo—Miss Velma Fanning.

Reading—Mrs. Randle.
Selection from the Victrola.
Following the program a baby picture demonstration was given in charge of Mrs. J. H. Reid. At the end of the meeting refreshments were served by the hostess. The meeting then adjourned to meet next with Mrs. J. H. Reid on Greenwood avenue.

Quilting Bee Held

A quilting bee was held Friday afternoon at the home of Mrs. Norman Aulbaugh on the Springfield road. An excellent two course dinner was served and the day was pleasantly spent. Those present were: Mrs. Frank Zircle, Mrs. Joe Junker and son; Mrs. Harvey Smith and family; Mrs. Frank Horton and family; Mrs. Herman Sheppard, of Jacksonville; Mrs. J. C. Schofield, Mrs. R. L. McComb and Mrs. O. W. Elmore, of Alexander.

Mrs. W. B. McIntyre

Hostess to South Side Circle. Mrs. W. B. McIntyre entertained the members and guests of the South Side Circle at her home on South Main street Friday afternoon. The program was in charge of Mrs. Weber, who wrote a very interesting paper on the history of Canada. Miss Swift of Illinois College gave two select readings which were greatly enjoyed by the ladies. During the course of the afternoon the hostess served delightful refreshments and the club adjourned to meet with Mrs. Sperry, October 20.

Entertained Y. P. S. C. E.

Miss Eleanor Thompson on West State street gave a party for the Intermediate Christian Endeavor of the Central Christian church last night. Mr. and Mrs. O. Roodhouse and Mr. M. L. Pontius were special guests.

A delightful program was given which included readings and games. Light refreshments were served and the hostess was assisted by young ladies from the Women's College and High School.

High School Faculty At Weiner Roast

Members of the faculty of the Jacksonville high school were present at a wieners roast given on the lawn at the home of Mr. and Mrs. T. P. Carter Friday evening. The occasion was planned especially in honor of the members of the faculty who are new to the high school this year. Wieners and other good things were served about a great bon fire and all of the forty persons present thoroughly enjoyed the hospitality of the Carter home.

CHURCH ORGANIZATIONS

Baptist Workers Plan Rally Day For Sunday

The officers, teachers and workers of the Sunday School of the First Baptist church met last evening at the church to plan for the Rally Day to be held on Sunday. Supper was served at six o'clock in the church social rooms and following the supper an enthusiastic meeting was held. Mrs. J. W. Chichease was the chairman of the committee in charge of serving the supper and she was assisted by Mrs. W. T. Spies, Mrs. Barton, Mrs. Weisman, Mrs. Wilson and Mrs. Charles Story.

Superintendent G. H. Kopperl took charge of the meeting after the serving of an excellent supper, and spoke of plans for Rally Day. Miss Pearl Williams sang a group of songs and a number of the officers of the Sunday School talked in regard to the Rally Day plans. The subject of the new Sunday School building which he hopes to erect soon, was discussed. Tentative plans for the Rally Day program on Sunday, October 15th, include an address by Ben Roodhouse, superintendent of the Christian church Sunday School and music by Miss Ruth Armstrong of the Conservatory. Rev. Ernest Rutherford will also speak the opening exercises. It is expected that there will be a large attendance at Sunday School on Sunday and an especially large turnout is expected in the Students' Class.

COMMUNITY PROGRAM AT ZION CHURCH

Great Interest Shown in Gathering Arranged By Farm Bureau.

One of the most successful township meetings the farm bureau has arranged was held at Zion church, four miles south of Murrellville, Friday. In the afternoon D. T. Heimlich gave a demonstration of poultry culling and there was an interesting exhibit of farm grains and fruits.

In the evening an audience of 250 people assembled for the general program. S. A. Bracewell township chairman, presided and it was he who was in charge of the general arrangements for this very successful meeting. Two long time residents of the community played violins and guitars with Mrs. Arthur King as their accompanist at the organ.

A chorus choir sang "Take Me Back to Old Virginia" and a number of other folk songs, the musical features being especially enjoyable. Brief addresses were made by Judge H. P. Samuel and Charles S. Black. Then County Agent G. B. Kendall gave a review of the work done by the farm bureau and Ralph Riggs told of his experiences at the state fair school.

The invocation and benediction were by Rev. Harnes of Murrellville. The whole program had been admirably planned and people from a wide area were present to enjoy it.

WHEAT SOWING PROGRESSES RAPIDLY

Wheat sowing has occupied the attention of Morgan county farmers to a very large degree during the past week. The rains of an earlier date put the ground into excellent condition for wheat sowing and the total acreage of the county will show a decided increase by comparison with some former years. Before the rains came the ground in most fields was too dry and cloddy to make a good seed bed, but as is usual in this county the rain came in time to put the soil into the right condition and farmers immediately got busy with harrows and drills.

In some instances further plowing was necessary. In one field a short distance east of the city one farmer drove a breaking plow and led the horses of another outfit. The field was long and the only difficulty he experienced was in turning rows. This took a little time but by the use of the two plows a great deal of additional ground was turned over.

ALL DAY PICNIC AND FARMER'S INSTITUTE

Was Held At Zion Church Yesterday—Old Time Fiddlers Furlish Music.

A big community meeting was held yesterday at Zion M. E. church, south of Murrellville. The affair was an all day picnic and farmer's institute combined and was well attended. Residents from all over the south part of the county were present and an interesting program had been arranged.

At noon an excellent dinner was served by the ladies of the church in the new community rooms in the basement of the church. The new church dining room and kitchen, recently completed, were used and the room proved an ideal place to hold gatherings of this kind.

In the afternoon there were round table discussions on the subject "Helpful Things for the Community." George B. Kendall county farm advisor was present and made an informal talk. There was also a poultry scoring demonstration conducted during the afternoon. The meeting was arranged by officials of the farm bureau and by residents of the Zion community.

A bounteous supper menu was served at six o'clock and after the supper hour the evening was spent with a musical program and a social time. An orchestra composed of "Old Time Fiddlers," gave a musical program which was greatly enjoyed by the audience.
